Dear Hernando,

Thank you for your inquiry regarding the compilation *La Musica*. We grant you permission to include this compilation on your nonprofit digital music platform, provided as you stated that proper attribution will be made to the White Estate as the copyright holder of this book, you host it natively inside your platform from our sites, and that links back to the White Estate be shared as well.

If you have any further questions or concerns please let us know. May God bless you as you share Ellen White's counsels and much more about early Adventist music.

Sincerely,
Dwain
